Uncle Val's Peppered Gin

An atypical variation on a London Dry, with more floral flavor and less juniper than usual, creating a perfect gin for those who enjoy chili pepper heat.

Its clear, shimmering appearance is only topped by its understated juniper, allowing the citrus to shine in between the peppered heat, rounded out by the sweet smell of cucumber.

Gin drinkers will truly enjoy the smooth entry, fiery cayenne yet herbal finish and rose pedal scent.

Perfect Gin for a Martini or a Gin and tonic fit for a king.
